

Product

Lodgicor™ by Blake Solutions. Kitchen, Vanity, and Cabinet products.

Manufacturer

Blake Solutions is headquartered in Memphis, TN, USA with manufacturing facilities in China.

Product Composition

Lodgicor™ European Style (frameless, full overlay) melamine cabinets are constructed of 5/8" particle board with a melamine interior and exterior, and melamine clad 3/4" MDF doors with edge banding matching the melamine door color. Melamine thickness is 85gsm-110gsm depending on pattern and color. Edge banding thickness is .6mm-2mm, also dependent on color and pattern. Dowel and CAM lock assembly. Doors utilize adjustable, concealed hinges. Drawer boxes utilize full extension, ball bearing, side mount glides.

Product Categories

Lodgicor™ provides several different styles of quality cabinets for student housing, multi-family, and assisted living facilities.

Colors

Lodgicor™ cabinet products are available in a vast array of colors, giving the appearance of paint or actual wood stains, and is versatile enough to match most competitor's colors.

Limitations

Lodgicor™ products are not recommended for exterior use. Material should not be used in areas exposed to sustained temperatures exceeding 150 degrees F. Follow all recommended installation procedures provided by manufacturer.

Finish

The melamine finish provides a durable, water-resistant finish. Finishes can be matte, with smooth or textured (doors only) finish. Cabinet interiors can be a solid melamine finish or match to the color selected for the exterior.

Hardware

Lodgicor™ cabinet products are available with a variety of hardware to be specified from our standard offerings or upgraded if desired.

Cost

Cost varies with product category. Please contact Blake Solutions for a customized proposal.

Installation

Blake Solutions cabinets are delivered flat packed. BSI provides onsite assembly and turn-key installation of all cabinet products we furnish.

Warranty

Lodgicor™ cabinet products offer a 1-year warranty against defects in construction, hardware, or finish.
